DRUPALCAMP FOX VALLEY

SPONSOR OPPORTUNITIES

The Drupal project is built primarily with the time volunteered by its community of developers. Beyond the Drupal core, countless hours of volunteer time are provided to build the community contributed modules that extend Drupal's functionality—making it a robust and extendable framework that integrates with a myriad of outside software and web services.

Your sponsorship dollars will allow us to bring the local Drupal community together to share code, documentation, lessons, mistakes, and our love of Drupal. If you are already using Drupal, this is an opportunity to give a little bit back to the community that provides so much!

DrupalCamp Fox Valley is making arrangements for Fiscal Sponsorship by the Drupal Association, which will provide non-profit status, insurance, and logistical support. This means that 10% of your sponsorship dollars will support the Drupal Association.

We appreciate your consideration of financial support for DrupalCamp Fox Valley! Please also encourage your team to submit session proposals and to consider volunteering for preparing and participating in making our first DrupalCamp Fox Valley a huge success.

Visit www.drupalcampfv.org for more information or contact us at info@drupalcampfv.org.

FEATURE SPONSOR OPPORTUNITIES

From our Friday evening meet and greet to Saturday morning coffee or the Saturday evening after party, these special sponsorship opportunities provide a chance to get your message in front of attendees, provide a lasting resource, or assist young talent in attending the event!

Contact us at info@drupalcampfv.org for details about these unique sponsorship opportunities!

Business Social

Create buzz for your organization before the sessions start! Claim your place on stage at the Friday night Drupal Business Social and have the opportunity to deliver your message to local web professionals or business leaders. Your sponsorship can help provide snacks or buy a round for Social attendees.

Coffee break

Put your name on the fuel! Sponsor either the morning or afternoon coffee service that gives attendees a quick break and a little pick me up to start or end the day.

Media sponsor

We are hoping to record all sessions so that others can benefit from the event after it is over. Your media sponsorship will help pay for recording

and post production needs of audio and video materials. A splash screen in each video will feature your organization.

Scholarship sponsor

Help fund the attendance of students or developers requiring assistance. Scholarship applications will be reviewed by the organizing committee and awarded based on merit. Sponsor a block of 5 scholarships and be recognized in the opening remarks plus have a chance to meet attendees and maybe recruit your next top talent!

After party appetizer buffet

Be the talk of the party! We are planning an after event party just upstream from the venue. As sponsor you can help provide a few things to nibble on while attendees mingle and wind down from a day of sharing and learning. Get your promotion materials in the hands or talk directly to attendees about your organization.
